## Health Information Management Association (HIMA) INDIA

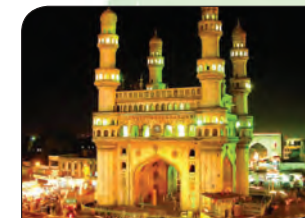

is conducting First National Conference and Exhibits on HIM and IT under the guidance of Organizing Chairman, Dr. G. D. Mogli, PhD, MBA, FHRIM (UK), FAHIMA (USA)

## HIM INDIA INFO-2015

4<sup>th</sup> - 5<sup>th</sup> December 2015

## BETTER HEALTH INFORMATION MANAGEMENT FOR QUALITY HEALTH CARE

Venue

## Krishna Institute of Medical Sciences Ltd.

# 1-8-31/1, Minister Road, Secunderabad, India

## HIM INDIA INFO - 2015

HIMA INDIA's primary goal is to provide the knowledge, resources and tools to advance health information professional practice and standards for the delivery of quality healthcare

The health industry is evolving quickly, and HIMA INDIA is working to advance the implementation and effective management of electronic health records (EHRs) by initiating and advocating for consistent standards. Needs are evolving from simply translating data, to having instant access to intelligence that can drive clinical and administrative decision-making in real time. HIMA INDIA ensures that HIM professionals are armed with the skills and tools to act as leaders, using quality information to achieve the triple aims of reduced costs, better care, and improved people health

The conference aims to stimulate and create awareness among various health and information sciences students, healthcare professionals, Hospital Administrators, Policy makers, end users and developers (software) about the application of health information in delivery and promotion of healthcare.

### Objectives

1. To Share HIM Knowledge and allied topics of current and future issues
2. To Analyze innovation of HIM projects across the country
3. To Share design and development of HIM program
4. To share implementation strategies of EMR/EHR
5. To explore changes as healthcare change into digital era
6. To discuss how communication & technology changes to improve quality of care

### The areas to be covered during the conference

- HIM Management and Patient safety
- EHR Functional requirements & specifications
- HIM Education and training curriculum in current perspective
- Tips for evaluating EHR software
- Medical Legal, Insurance and Billing Issues related to HIM
- HIM professional endurance
- Challenges of EHR / EMR adoption - implementation and maintenance

## Why to attend HIM INDIA INFO 2015

1. The HIM INDIA INFO -2015 is conducting First National Conference and Exhibits on HIM and IT; under the guidance of Organizing Chairman Dr. G. D. Mogli. PhD, MBA, FHRIM (UK), FAHIMA (USA). More than 30 scientific /technical innovative practical topics on HIM, IT is to be presented.
2. National and International renowned speakers with vast experience in HIM, IT and allied fields will participate and present papers on issues of current and future role of HIM profession
3. Meeting of representatives of different states/ countries will be held on post-first day conference to elect the Board of Directors as policy makers to oversee the HIMA-INDIA and how it can move forward to make it a vibrant national association to conduct International congress in the year 2017.

### Who all can attend?

- Health information management including Medical Records and IT professionals, Healthcare professionals (doctors, Nurses, Paramedics)
- Hospital Administrators including policy makers
- Students of HIM & Paramedical
- Software developers and end users
- Medical Coders, TPA, legal, Insurance and billing personnel

### Guideline for paper abstract / Paper / Posture submission

- Abstracts (Maximum 300 words) shall be in IMRAD format must be evidence based to include practical exposure, with merits and demerits (constraints) if any
- These practical papers that presented should facilitate the participants/learners to gain knowledge, skills and attitude, instead of presenting theatrical information
- All the scientific presentations will be rated by a panel and the "Best practices" will be rewarded by HIMA.
- Name of the author, affiliations and contact details shall be stated clearly below the Title.

### Full Paper

Full paper copy, not exceeding 6 pages, as per IMRAD in MS Word document on acceptance of the abstract. The accepted papers with duly paid full registration fee only will be published in the proceedings of the conference.
